

Firstly would everyone please sign the Attendance Sheets.

The shop this year has had its best year ever. It is anticipated that donations to various charities will well exceed last years donations.

Audited Accounts have been presented and Bert ben Mayor will review them in a few minutes. As always thanks you to Bert for looking after our Accounts in such a timely and professional way.

In September this year we were able to extend our lease by another six years and negotiate a very reasonable rental. My thanks to our Solicitor Peter Klimt for his input and advice.

The following people held office this year- Robert Kohn (Chairperson), Bert Ben Mayor (Treasurer), Evelyn Solomon (Roster), Pam Budai (Secretary) Wendy Cohen, Miriam Kluger, Graham Reitzen (resigned due to ill health) and Jane Lurie (

coopted). Pam Budai has also resigned due to family reasons and we thank her for her time and efforts and trust her daughter's health improves. All members of the Committee work in the shop Just a few Housekeeping items.

Goods held on Layby or for Customers who have paid a deposit and will pick up imminently.

Plse fill out the Section in triplicate. Customer gets the white copy and the the pink copy goes on the product. We must have the Cust ph no number and exactly detailed what they have paid and whats owing, and when the purchaser is picking up. The Purchaser must give you a decent holding sum. None of this " heres \$2 on a \$20 item and I will pick up in two weeks when I get paid"

If a customer brings you an item marked \$20 don't immediately say you can have it for 15.

Don't go around changing prices because you think..... the Tues crew mark and price.

As ever there are many people without whom this venture could not succeed- Brian Gold, Henry Roberts, Arthur Neumann, Harold Marks and Andy Vadasz for pickups, Del Tomchin, Pam Budai, Anna Marks and Ofira Singer who do the sorting and pricing. Ilana Cohen for looking after various items. Gabor Somlai for his enthusiasm advertising on e-Bay and other marketing initiatives. Evelyn Solomon who prepares our weekly roster.

Peter Fischer who checks and tags our electrical goods and of course all our volunteers whose enthusiasm makes it all worthwhile.

Judy Geynes who deputises for me whilst I am overseas visiting my kids.

All those Vol who come and work on Sundays also deserve a special mention. Hands up. Thanks very much for giving up your time on this day.

I would also like to introduce some new Volunteers. Would Mary and Robert please stand up.

Mary Emanuel who took over from Graham Reitzen has assisted us greatly in producing our weekly Roster Sheet which she emails to all Volunteers.

Robert Emanuel has also become an indispensable Volunteer helping at the rear of the shop on Mondays and Tuesdays. Lifting/ Carrying/Schlepping etc . Our thanks to you both.

Many thanks also to our one employee Barbara Haskins who sorts and prices our clothing and whom we are very fortunate to have.

Thanks to my wife Sylvia putting up with my idiosyncrasies etc.

I also wish to mention that Morning Tea is 100% Kosher. Cakes etc from Glicks

That concludes my report and I now call on Bert to bring you up to date w our financials.
